EXCITING NEWS TO SHARE WITH YOU ALL!

We have now chosen our Head Boy, Head Girl, Deputies and House Captains!

The Year 6 children have been busy since the beginning of term, writing their speeches and sharing them with the whole school in Assemblies to explain why they would be a suitable candidate. They have really thought about their vision for the school and why they wanted to apply, and their speeches have all been very insightful, with a strong focus on being a role model, pupil voice and continuing to make the school an inclusive, welcoming and friendly environment for all our children.
The results are in! and were shared with all children today in Assembly. The whole school was involved in the voting process and the results were very close! **WELL DONE to you all! Please see photos of the children in our Gallery on the website.**
