St Bede's Catholic Primary School

PE and Sports Premium Statement 2025-2026

At St Bede's Catholic Primary School, we believe PE and Sport play an important role for every pupil, with the potential to change young people's lives for the better. Schools in England continued to benefit from the PE and Sport Premium grant for the academic year 2025-26.
This grant is designed to help children get an active start in life, supporting primary schools to improve the quality of their PE and sport provision so that pupils experience the benefits of regular exercise – from becoming healthy, both mentally and physically, to improved behaviour and better academic achievement.
This welcome investment plays an important part in getting children active - which is important not just for their physical health but because being active builds mental resilience and helps children achieve well academically.
We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all children.

Our Aims

We are a Healthy Schools committed to delivering high quality and consistently good PE provision to all our children in order that they improve their health, fitness, welfare and wellbeing, their understanding of sport, teamwork and citizenship. We promote an inclusive ethos where all pupils enjoy participating in sport; empowering them to become the best they can be.
It is part of our school strategy to tackle obesity and support our Healthy School approach, as well as working with Lambeth on mental health programmes to ensure children have the strategies to be confident and healthy, both physically and mentally.

Meeting National Curriculum requirements for Swimming and Water safety (2025-2026)

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at

least 25 metres?	23 pupils (80%)
Class size:	29 pupils
Confident:	18 (62.5%)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Please note:
The data above is taken from the 2025-2025 Y5 cohort

Action Plan and Budget Tracking Academic Year 2025-2026

Funding received

St Bede's received £15,667 this year to spend on sport and PE provision

Expenditure: St Bede's £12,367

Impact of funding
